Giving Your Boy the Best Start in Life!

You want him to play—to go to school—to develop along healthy, vigorous lines — In this way he becomes a man worth while and a credit to those who love him.

You train him into the habits of neatness—to wash his face and keep his hair combed, and present a manly appearance at all times.

But sometimes you are careless about the kind of clothes you buy for him—clothes that are not in keeping with the other standards built around your boy—clothes that look disreputable in a few days, shoulders wrinkling, front sagging, and a general look of dilapidation—Such a condition will not build up character.

WHY NOT DRESS HIM IN X-TRAGOOD CLOTHES FOR BOYS?

They look so good, they wear so good, they feel so good, they are so good, they instill pride and appreciation into the heart of the wearer.

Built along easy, graceful lines by men who know how.

Many beautiful and unique costumes will be seen in the procession and there are rumors of several big surprises for those who witness this parade.

TAKEN TO HOUSTON.

Young Men Who Plead Guilty to Be Tried Also in Houston.

E. J. Rye and Walter McAdams, the two young men who entered pleas of guilty to the charge of stealing an automobile, were carried to Houston yesterday afternoon, where they will be tried on other charges and then transported to the penitentiary. The young men were in good spirits when seen at the train yesterday afternoon, and stated they were not expecting to remain in confinement very long. When asked why they took the car, McAdams said they just intended to take a spin to Dallas and have a good time and then return it, it not being their intention to actually steal it, but that after being caught "with the goods" they decided the best thing to do was to plead guilty and ask for mercy. They said they were treated nicely by Sheriff Nunn during their incarceration here and spoke very highly about his kindness to them.

ELECTION SATURDAY.

Next Saturday, April 1, an election will be held throughout Brazos and every other county in Texas for the purpose of electing school trustees for every common school district in the state. This will require the closing of every saloon in Texas. Last year there was some discussion as to whether the law required the saloons to close on this day or not, and the attorney general ruled that they must close. The same law applies this year or last. His ruling was that no matter whether an election was held or not in a district where they might be a saloon, the law compelled the saloons to close.

LECTURE ON SUFFRAGE.

The Eagle is requested to announce that Miss Freeman will lecture on "Suffrage" at Carnegie Hall on Friday afternoon at 4 o'clock. No admission fee will be charged, the lecture is free and the public is cordially invited to be present.

A. & M. TO PLAY CHINESE TEAM

Efforts Being Made for Special Car to Carry People Out and Bring Them Back.

A Waco exchange says: "The next exhibition game scheduled here is between the Navigators and the Chinese baseball team. The latter nine is from the Chinese University of Honolulu, and the date of their coming is April 5."

In this connection it is interesting to note that this same Chinese team will play A. and M. next Monday, April 3, and it is expected that the exhibition will be a novel and interesting one. Athletic Director Driver says that he is making an effort to have a College interurban car leave Bryan at 3:45, so that it will arrive at College in time for the game; it will also be held until the game is over so that those going out on it will not be compelled to wait for a regular car, but can return to the city immediately after the game is over. This special effort will be appreciated by the townspeople and no doubt there will be a good attendance from here.

On the 5th and 6th of April the Daniel Baker team comes from Brownwood, and interest is beginning to center in this contest. Coach D. V. Graves is trying out his baseball squad each day and he and all other A. and M. enthusiasts believe the College this year has a winning team.

ART EXHIBIT.

Yesterday the architectural department of A. and M. College received and put on display fifty water color drawings by Mr. Samuel E. Gideon, associate professor of architecture at the University of Texas.

These water color studies have been received with much enthusiasm at other exhibitions over the state and elsewhere. The subjects include scenes about Boston, Mass.; Austin, Tex., and scenes in the vicinity of Bryan. Included also are several European studies of rare merit. Mr. Gideon's beautiful handling of colors and apt choice of subjects makes this exhibition of especial value to students and lovers of art.

The water colors will be on display for one week or ten days in room 408, main building. Everybody is cordially invited.

HOUSTON BOOSTERS ARE COMING

Party of Leading Business Men of That City to Spend an Hour Here on Friday, April 14.

The following letter relative to the coming of the annual Houston trade excursion, is self-explanatory:

Houston, Tex., March 28.—Editor Eagle and Pilot, Bryan, Tex.—The sixteenth annual Houston trade excursion will leave here on Tuesday, April 11, and we have the pleasure of announcing that the itinerary provides for a stop in your city, which we will reach at 3:15 p. m. Friday, April 14.

The personnel of the party will embrace some of our leading bankers, manufacturers and jobbers, and the purpose of the trip is to give them an opportunity to become personally acquainted with the business men in the territory covered by the itinerary.

We do not desire, or expect to be entertained in any manner, but we would be pleased if you would give the occasion of our visit as much publicity as possible, and arrange for the business men of your city to meet the train on arrival if possible. This would enable us to carry out the object of the excursion.

There is a wide-spread desire on the part of the business community of this city to come in personal contact with the merchants of the interior, and it is felt that a better understanding will prevail thereafter, and general business transactions facilitated.

We ask your kind co-operation with a note to the effect that you will use your best efforts as above. Yours very truly, CHAMBER OF COMMERCE.

THAT KNIFE-LIKE PAIN.

Is Only One of Nature's Warnings of Weak or Disordered Kidneys.

Have you a lame back, aching day and night? Do you feel sharp pains after stooping? Are the kidneys sore? Is their action irregular? Use Doan's Kidney Pills—the medicine recommended by so many Bryan people. Read this case:

Mrs. Callie Davis, Bryan, says: "My kidneys were weak. I had dull pains through the small of my back and rheumatic twinges in my hips and limbs. I had severe headaches and could hardly walk, owing to dizziness. Spots floated before my eyes and the kidney secretions were unnatural. I used Doan's Kidney Pills, procured at James' Drug Store, and they soon rid me of the pains in my back and strengthened it."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Davis had. Foster-Milburn Co., Props., Buffalo, N. Y.
